

Dear all,

Ulysses Neuroscience are organising our annual awareness event for Rare Disease Day on **Thursday the 29th of February**, and we'd love to invite you to participate! The event is going to take place at our headquarters in **Cherrywood Business Park, Co. Dublin**, from **12pm to 4pm**.

Ultimately, our aim for this event is to facilitate communication between key stakeholders in the rare disease community, and promote awareness. If you are a researcher working on rare neurological or neurodevelopmental disorders, we invite you to submit a poster presentation at the event where you can interact with the patient community along with other academics and clinicians. We welcome both fundamental and applied research, from preclinical to clinical.

If you are interested, please submit your abstract here by Wednesday **th of February 2024**:
<https://docs.google.com/forms/d/e/1FAIpQLSfzOyzs0XY0tLLGyFHC8YUxLcuKfNqNVGwJPLQGovEQXzBJEg/viewform>

Abstracts should be 200 words or less, and should be written with a general audience in mind.

If you would just like to attend, please fill in this attendance form:
https://docs.google.com/forms/d/1vsapY3Npwwd8m8_7_170t86JpzU91Z6c806dgXE8YS8/viewform

If you have any questions, please email john.kealy@ulysses-neuro.com for further information.

Kind regards,

Dr. John Kealy,
Chief Scientific Officer.
